

# Welcome to Wildwood

We at Wildwood Curriculum are excited to bring you a modern day [secular curriculum](#) based on the original works of 19th century educator Charlotte Mason that can be used by all families.

We are busy building the curriculum as we go. Our team are busy homeschooling parents who are using the curriculum. We are currently working on Form 3.

You can follow our progress on or [Facebook page](#), or on our [user group](#). You can also listen to us chat about all things CM on our podcast, [Stonechats](#).
